

Tuesday—A Sale of
Overblouses

—of either silk
or velvet—

at **3.95**

These blouses of printed silk in Egyptian designs are just the kind that most women want but have never before found at 3.95. The illustration shows the snug hip band with the rounded neck and long sleeves, but it does not reveal the glorious colors that are most effective with any suit or skirt.

The other blouse, a jacquette model of splendid quality velveteen, has long sleeves too, and will prove a very welcome addition to every wardrobe at 3.95. All sizes. *Third Floor*
